Rumored Mutiny on board the Prometheus-Judge Sharkey and Mr. Owen.

The Tribune has a rumor that the passenger of the Prometheus had mutinied, taken posses sion of the vessel, and placed the captain in irons.

We learn by the Empire City that Judge Sharkey's appointment as Consul had reached Havana. The Diario says that Mr. Owen was sacrificed for having been faithful to his duties under the law of nations, and says that he had fallen a victim to the outery raised by demagogues in the United States.

From Salt Lake—Difficulty among the Officers-Governor Squandering the Public Funds. St. Louis, Mo., Nov. 3.—By the arrival of the mail from Salt Lake we have information of serious difficulties among the territorial officers from Utah.

It is asserted that, in consequence of the proceedings and seditious sentiments of Mr. Brigham Young, the governor, most of the State officers, including B. O. Harris, secretary of the treasury, G. R. Bradenburg, chief justice, P. C. Bruce, Charles Asserate, and H. R. Pog, Indian agents, and Messrs. Sillon and Young, were preparing to leave for the States. Many others were shortly expected to follow their example.

The nature and particulars of the difficulty are not stated. It is said, however, that \$20,000 appropriated by Congress had been squandered by Governor Young, and that an attempt had been made by him to take \$24,000 from the secretary, who refused to comply, and applied to the court to sustain him. This was done, and an injunction granted restraining the proceedings of the governor.

Валтімови, Sept. 18, 1851. GENTLEMEN: After a full and satisfactory trial of the medicine prepared by you, and very generally known as Dr. Hampton's Vegetable Tincture, which you recom-mended me to use as a relief for the debility and general prostration of my system, the result of taking three bot-tles of this wonderful compound has, I am pleased to say, resulted in a restoration of strength, a keen appetite, and an activity of body which I have not enjoyed for a long an activity of body which I have not enjoyed for a long time. So satisfied am I of the virtues of this medicine, that I have confidently recommended it to many of my friends and acquaintances, and am happy to learn that in a great majority of cases the most beneficial results have stamped the infallibility of the Tincture. In my own case, I am satisfied that your advice to me to give it a trial has, under the blessing of a kind Providence, resulted in a restoration to health, for which I am truly thankful.

MORE HOME TESTIMONY.—NONE NEED DESPAIR.
TRY IT AND BE OURBE. WONDERFUL AND PERMANENT CURE OF DYSPEPSIA.

Messrs. Mortimer & Mowbray—Gentlemen: This is to certify that in the year 1843 1 was attacked with a nervous affection, in consequence of Dyspepsia or Indigestion, which continued some eighteen months, during which time my sufferings were intense, both of body and mind. I tried every thing I could think or hear of, (as there was much sympathy for me,) and at length all efforts failed to cure me. I became much weakened, and could walk but a very short distance at a time, and was often in the act of falling upon the pavement, (I would stop in some door or alley to prevent it.) in consequence of frequent palpitations; and, from what I could learn, I supposed I had disease of the heart, from frequent distressing pains about the same; as also my chest and abdomen—the latter, being much distended. At this stage of my disorder I could neither eat, sleep or walk with any satisfaction to myself. Life seemed to be a burden to me. My feelings were gloomy beyond description.

I at length heard of Dr. Hampton's Vegetable Tincture, and made trial of it. I had but taken the first dose when I felt a change for the better, and hope immediately sprang up. I continued, with the use of this invaluable of three bottles, which, under Divine Providence, made a perfect cure of me.

I found I had an excellent appetite, and could partake of any food, which I could not do for years previously without the most distressing sensations. I now enjoy uninterrupted good heaith, and have done so for the last six years; and would say to all afflicted as I have been, to cast aside your prejudices, and try Hampton's Vegetable Tincture. Any information beside this but meagre description of my case will be given cheerfully for the benefit of the afflicted. Yours, WILLIAM M.OLDHAM. Custom-House; dwelling, Fayette st., near Fremont.

SUCH A MASS OF HOME TESTIMONY MUST CARRY CONVICTION TO EVERY MIND.

BALTIMORE, Sep. 18, 1851.

Messrs. Mortimer & Mowbray—Gentlemen: The cure of Mr. Robert Gault, by the use of three bottles of Hampton's Vegetable Tincture, as per his certificate, is, I think, almost unprecedented. His case of extremely excruciating suffering, from Chronic Inflammatory Rheumatism, camimmediately under my own observation, through the last four years, which I considered entirely hopeless. Through my earnest persunsion, he was induced to try your invaluable Tincture. I was promeded to remark at the time that if medicine would cure Mr. Gault, it certainly would "remove mountains." The knowledge of this miraculous cure compels me to consider it a duty I owe to the afflicted (and particularly to those with complaints like his) to make generally known the healing power of this truly wonderful medicine. Yours, most respectfully,

JAMES P. MERKITT,
